REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance:
2. Applicant argues "The Office Action objected to claims 2, 13 and 18-20 as including terms lacking proper antecedent basis. Applicant has amended claims 2, 13 and 18-20 to address the Examiner's concerns. The Office Action rejected claims 1-13 and 15-20 under 35 U.S.C. §112, second paragraph, as purportedly being indefinite. Thus, Applicant has addressed all of the issues pointed in the Office Action. Accordingly, withdrawal of these rejections is respectfully requested. Therefore, claims 1-13 and 15-20 should now be in condition for allowance."

The examiner agrees for the following reasons. The applicant has addressed all outstanding issues with the claim regarding objections and 112 second paragraph rejections via amendments and comments. Thus, all of the previous claim objections and 112 second paragraph rejections have been withdrawn. Additionally, an updated search hasn't found any new additional prior art that would read upon the independent claims. Thus, the claims are in condition for allowance.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Jacob Petranek whose telephone number is 571-272-5988. The examiner can normally be reached on M-F 8:00-4:30.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Eddie Chan can be reached on (571) 272-4162. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
